

Design Project # _____

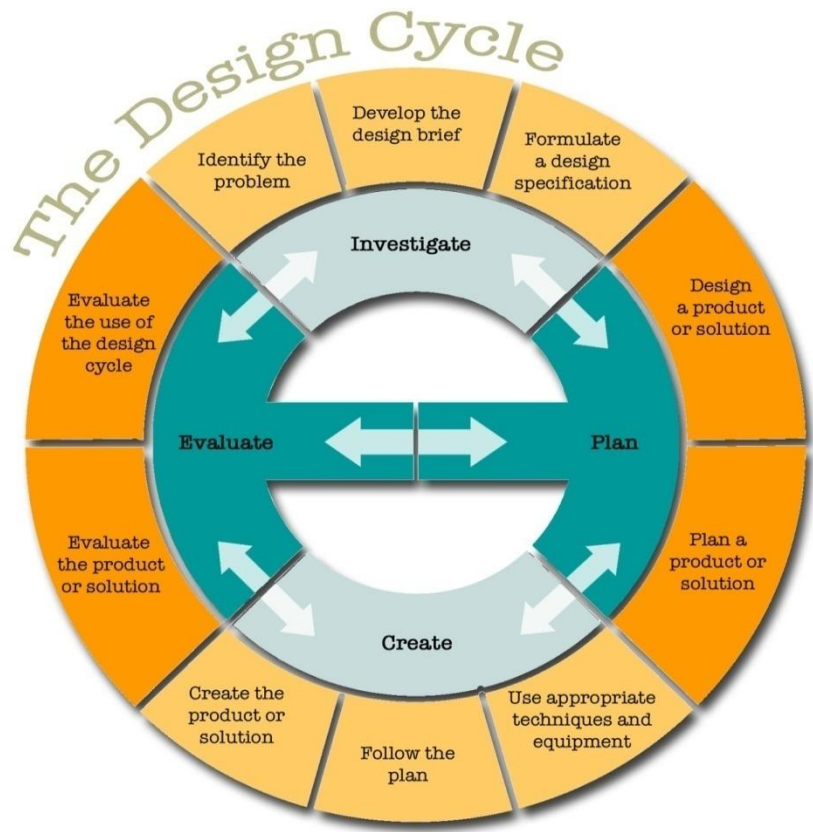

Grade 7

Date: _____

Guiding Question:

Name: _____

Class : _____

Investigate

As part of the investigation you have to research not only using the internet but also from other sources such as books, journals, magazines, people (interview) etc. For this project you may have to:

- Identify and explain the problem or need to be solved
- Formulate questions that you will need to answer to complete this assignment
- Research any other information (List out) that you may need to complete the task
- Outline a Design Brief and Design Specification. (see booklet provided)
- Explain how you will test your product
- Provide a bibliography of your research and of any resources that you've used (Check your MYP Journal - on "How to reference your resources properly following the MLA format")
